## NARRATIVE

On 01/12/2015 at about 1257 hours (all times approximate) I was dispatched by police radio to a priority vehicle collision with a pedestrian (the pedestrian was said to be down and not getting up) at the intersection of 91st Ave NE and Market Place in the city of Lake Stevens.

Arriving on scene I observed several emergency aid cars on scene, several emergency aid workers working on an adult female in the roadway and two vehicles stopped near the down pedestrian.

I located the driver of the vehicle (U1/Norsby) which struck the pedestrian (Tomlin) and one witness (Elser).

Based on evidence and statements at the scene it was said pedestrian Tomlin was crossing Market Street in a northbound direction on the east side of 91st Ave in a painted white in color crosswalk with pedestrian signals. Driver Norsby was said to be traveling southbound on 91st Ave and making a left turn onto eastbound Market Place on a flashing yellow arrow light. Witness Elser was said to be stopped at the red light on westbound Market Place, at 91st Ave and was the first one stopped before the white in color painted crosswalk which Tomlin was walking in.

Driver of U1, Norsby, claimed she was stopped at the intersection waiting for northbound vehicle traffic to clear the intersection so she could make a left turn. Once the vehicles cleared the intersection Norsby claimed she proceeded to make a left turn (on a flashing yellow light signal) and then struck pedestrian Tomlin in the painted crosswalk while Tomlin was walking northbound across Market Place. Norsby claimed she had not seen Tomlin in the crosswalk.

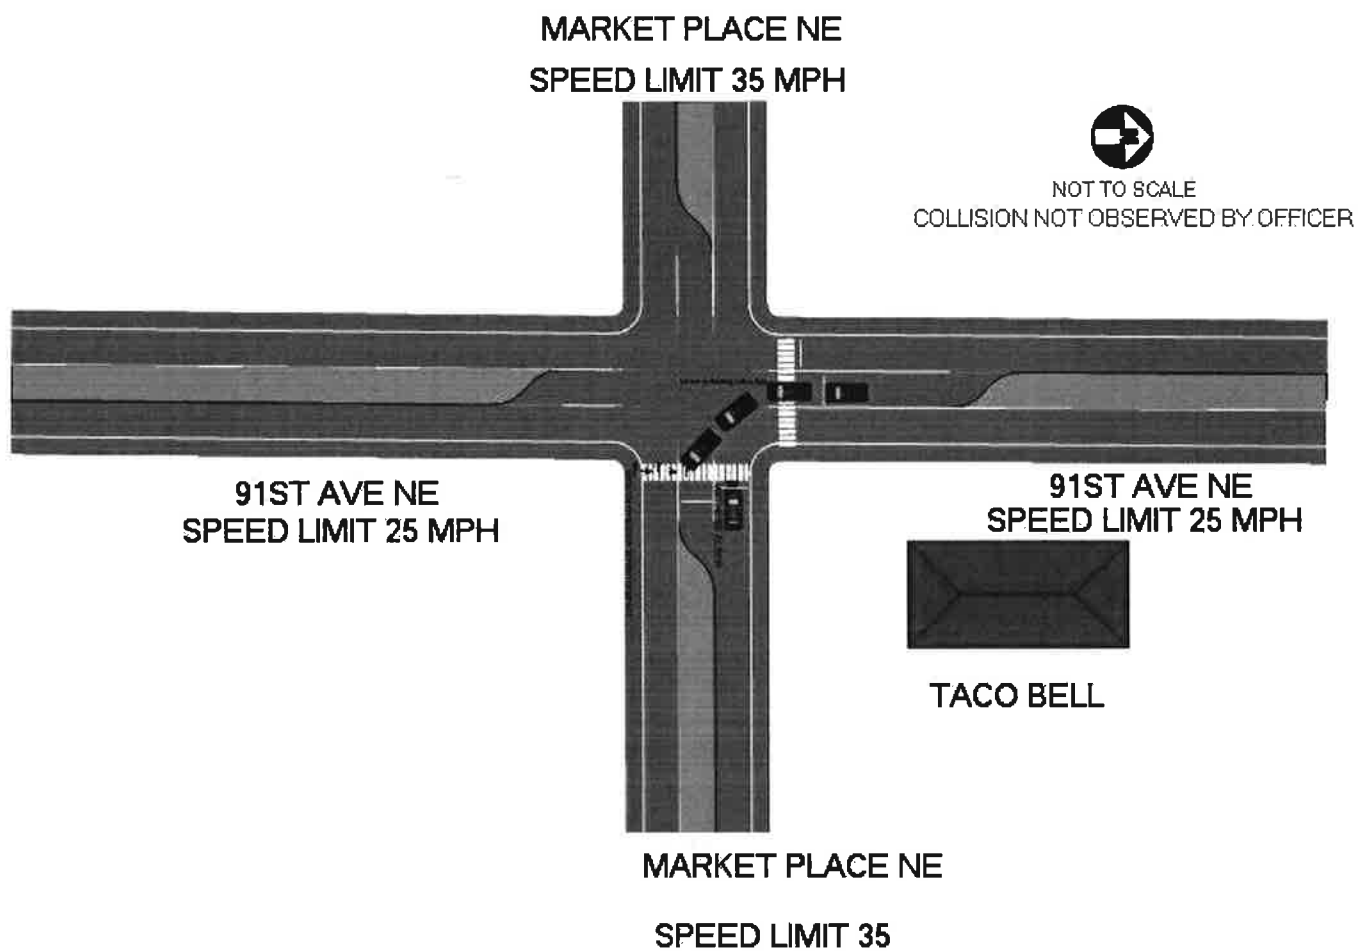

Witness Elser stated she was stopped facing a red light on westbound Market Place at 91st Ave.

Elser claimed she observed a black in color SUV hit an elderly lady crossing the street with the front left portion of the SUV.

It should be noted the weather on this date was clear and sunny and that the sun was to the southwest of the intersection and high in the sky (not interfering with my vision as I traveled southbound through the intersection as Norsby had).

Aid personnel mentioned Tomlin may have a broken hip and she had broken teeth; bleeding on the roadway while aid personnel worked on her.

Tomlin was transported to the hospital by aid car and Norsby drove her vehicle from the scene.
